We Say

To Irresponsible Sex-Ed

NO!

✗ Say No to physical and psychological age inappropriateness!

- ✎ Introducing sexual concepts and ideologies that children cannot understand physically and psychologically. Such as Grd 4 P141 "want to be more than 'just friends' and become interested in going out", Grd 5 P157 graphical descriptions as "when the penis is in the vagina", Grd 6 P175 describes "masturbating is something many people do and find pleasurable", Grd 7 P196 introduces "anal & oral sex", Grd 8 P216 brings in sex fluidity as "two-spirited, transgender...".

✗ Say No to incomplete and groomed teaching!

- ✎ Grd 1 P93 expects children "identify body parts, including genitalia", but fails to teach kids nobody shall touch their genitalia, exposes kids to sex predators.
- ✎ Grd 7 P197 Introduces AIDS as "when people get... treatments, they have the opportunity to live a near-to-normal lifespan." It grooms out the fatality danger of STI / HIV related sexual behaviors.
- ✎ Fails to warn kids the legal risk, such as age of sexual consent is 16 yrs old (Criminal Code 151 & 152), and anal sex under 18 yrs old is illegal (Criminal Code 159).

✗ Say No to absence of moral guidance!

- ✎ Safe sex, i.e. sex as pleasure without Sexual diseases and unwanted pregnancy, is presented without the proper context of reproduction, marriage, and family responsibilities. It stops halfway at merely physical protections: Grd 7 P196: "If a person is thinking of having sex, what can they do to protect themselves?" Grd 8 P216: "Teens... are more likely to use protection, such as condoms, if they choose to be sexually active."
- ✎ Leaves rooms for teachers to impose sexual ideology which may contradict to kids' family tradition.

✗ Say No to the disrespect to Multi-Cultures!

- ✎ Grd 3 P124 requires kids respect "two mother / two father families" but fails to respect their family traditions.

✗ Say No to the deceiving public consultation!

- ✎ The same curriculum was suspended in 2010 under public objection, but was released again without due diligent public consultations and revisions, which was promised by Ministry of Education.

✗ Say No to the convicted pedophile Ben Levin behind the scene!

- ✎ The curriculum was made under supervision of Ben Levin, who was convicted for multiple pedophile crimes.

✓ We require Provincial Government suspend the sexual health section within the HPE Curriculum, until fully incorporating Parents' Concern.

✓ What shall we do?

- ✎ We shall reclaim parents' responsibilities and right as Primary Educators.
- ✎ We shall contact Local School Trustees to forward our complaints to Ministry of Education.
- ✎ We shall contact Local MPPs to express our disappointment about the Provincial Administration and ruling parties' policy.
- ✎ We shall sign the petitions, require the Legislative Assembly of Ontario to suspend the Sex Ed section of the curriculum.
