We Say
To Radical Sex-Ed Curriculum

NO!

✘ Say No to age inappropriateness and explicit sexual ideology!

- ✎ Introducing sexual concepts and ideologies that children cannot understand physically and psychologically. Such as Grd 4 P141 "want to be more than 'just friends' and become interested in going out", Grd 5 P157 graphical descriptions as "when the penis is in the vagina", Grd 6 P175 describes "masturbating is something many people do and find pleasurable", Grd 7 P196 introduces "anal & oral sex", Grd 8 P216 brings in sex fluidity as "two-spirited, transgender...".

✘ Say No to incomplete and groomed teaching!

- ✎ Grd 1 P93 expects children "identify body parts, including genitalia", but fails to teach kids nobody shall touch their genitalia, exposes kids to sex predators.
- ✎ Grd 7 P197 Introduces AIDS as "when people get... treatments, they have the opportunity to live a near-to-normal lifespan." It grooms out the fatality danger of STI / HIV related sexual behaviors.
- ✎ Fails to warn kids the legal risk, such as minimum age of sexual consent is 12 yrs old <Tackling Violence Act>, and anal sex under 18 yrs old is illegal (Criminal Code 159).
- ✎ Leaves rooms for teacher to impose sexual ideology which may contradict to kids' family tradition.

✘ Say No to absence of moral guidance!

- ✎ Safe sex, i.e. sex as pleasure without Sexual diseases and unwanted pregnancy, is presented without the proper context of reproduction, marriage, and family responsibilities. It stops halfway at merely physical protections: Grd 7 P196: "If a person is thinking of having sex, what can they do to protect themselves?" Grd 8 P216: "Teens... are more likely to use protection, such as condoms, if they choose to be sexually active."

✘ Say No to the disrespect to Multi-Cultures!

- ✎ Grd 3 P124 requires kids respect "two mother / two father families" but fails to respect their family traditions.

✘ Say No to the sneaky public consultation!

- ✎ The same curriculum was suspended in 2010, but was released again without due diligent revise.

✘ Say No to the convicted pedophile Ben Levin behind the scene!

- ✎ The curriculum was made under supervision of Ben Levin, who was convicted multiple pedophile crimes.

✓ We require Provincial Government suspend the sexual health section within the HPE Curriculum, until fully incorporating Parents' Concern.
