On the Sex-Ed Component of Ontario's Health & Physical Education Curriculum

To The Legislative Assembly of Ontario:

WHEREAS in 2010 the Ontario Liberal government promised to consult with voters before implementing a revised sex education curriculum which many parents felt was age-inappropriate and too explicit;

AND WHEREAS since 2010 the Ontario public has not been given adequate opportunity to provide feedback on proposed sex education changes;

AND WHEREAS in late October 2014 the Ontario Liberal government announced that more revisions to the sex education curriculum would be implemented in time for the next school year;

AND WHEREAS the announced plans to consult only one hand-picked parent per school does not constitute broad public feedback on the curriculum, and therefore, the Ontario Liberal government is breaking its 2010 promise to consult the people of Ontario;

WE, the undersigned, petition the legislative Assembly of Ontario as follows:

Suspend the implementation of the sexual health section within the HPE curriculum, allow residents of Ontario to review and offer their concerns, and revise the sexual health section accordingly before releasing it again.
